MEMORANDUM FOR: Acting Deputy Director for Support

ATTENTION : Mr. [redacted], SA-DD/S 25X1A9a

SUBJECT : Updating of Medical Paragraph in Agency Paper on Professionalism

REFERENCE : Your Transmittal Slip of 18 August 1964 with copy of Page 50, Medical, from Top Secret Document 188310/9

As requested, attached is an updated version of the reference page. It is our understanding that "Professionalism" as used in this context refers to the intelligence profession and, in our case, medical support thereto, rather than professionalism in the more specialized medical (psychiatry, internal medicine, etc.) sense. This revision of the reference statement was made with this assumption.
